Temple Herdewkye Primary School is proud to support all of our Key Workers.

Class Dojo

Thank you to everyone for contributing to Class Dojo. All teaching staff really enjoy seeing what you have been up to. If you haven't managed to join yet please send us an e-mail and we will do all we can to help you.

We would like to ask all families to post a comment on Class Dojo telling us how they are finding the new approach to Home Learning. We do listen to your feedback but we need to hear more of it. A few parents have told us that they think it is better but we would like to hear your view. So please feel free to add a comment on this platform letting us know how you are getting on.

Many thanks to the staff members who helped us to deliver the Home Learning. We had a lovely morning waving to everyone and seeing where you all lived. Temple Herdewkye is a fantastic community.

Happy Birthday to all our friends !
We hope you had a lovely day.

What have children at school been up to?

Firstly, all pupils have to complete their 'Home Learning' in the same way that all pupils do. They then complete the Joe Wicks work out—along with the teaching staff, who have found out that it's not as easy as it looks! We have been blessed by the weather over the last few weeks and so outdoor activities have been very popular, with tennis proving to be a firm favourite. Pupils also enjoyed making rainbows to put on the school fence as a symbol of hope.

Reading with your furry friends!

We have all enjoyed seeing you reading with your pets. We hope they enjoyed your reading.
